

**BOSTON BOLTS**

## **JOHN WILLETT SCHOLARSHIP FUND**

*"Together" for kids, for athletes, for successful futures!*

### **Legacy Scholarship Program**

The **Bolts Legacy Scholarship** program honors our greatest family and business benefactors by providing privately named (Your Name) scholarships to support the next generation of Bolts. Your scholarship will allow our next generation of athletes to play this great game and achieve future success through soccer!

By donating a Bolts Legacy Scholarship, the award you determine will be titled The "*Your Surname*" Family Scholarship or The "*Your Business Name*" Scholarship. You define the specific criteria for the recipient of *YOUR* scholarship, whether that be player merit, position, league of play, etc. it's all up to you. Based on your criteria, we will assign your scholarship to a deserving player. You will come to know the recipient(s) of your gift and what it is doing for them, because you will hear from them directly. Your scholarship will be awarded this **2019-2020 season**. You can renew your gift for future years if you choose.

The Bolts are fully committed to consistently delivering superior training, a complete player progression path and personal growth opportunities throughout our organization - *in every league, at every age and at every stage of development*. We also strive to allow players from all socioeconomic levels, the opportunity to be a part of this sport and create a pathway to college and beyond. This has always been the primary mission of our Club. **In 2018, the Boston Bolts, were the #1 club in the country for college committed soccer players (plus a US National Team recruit, and another Bolts alum went Pro!). We could not be prouder of the continued legacy of outstanding achievement by our athletes.**

At the Bolts, we strive to teach our boys that when you achieve your own success in life, it is time to turn around and help another. We support that philosophy through our peer mentoring program, inner city development region, gear drives, partner charity fundraising and numerous other community service projects. We hope your family continues their legacy with the Bolts, by supporting the great benefits this Club provides to the youth in our community.

We want our players to live "The Bolts Way" for life, through hard work, achievement and giving back. And we want our Bolts families and our long-time supporters to always be remembered for the support of their own child and the opportunity they gave to others.
